

## **Why Your SLPOA Membership is Important**

- We keep you informed about community and lake issues through our SLPOA Newsletters, Email Notices and the Website.
- We keep ourselves and the residents knowledgeable about our watershed by collaborating with SUNY– ESF, Cortland County Soil and Water and others to share the newest information and the best management practices for our lake.
- We are members of, and participate in, the New York State Federation of Lake Associations and the Citizen's Statewide Lake Assessment Program.
- We are a founding member lake association of the Cortland-Onondaga Federation of Kettle Lake Associations.
- We help organize lake activities and have a lovely new tent available for members to use for a small donation (you must be a current member).
- We bring neighbors together with our Annual August Picnic.

**If you haven't renewed your membership yet, please use the form on the back and send it, with your check made out to Song Lake Property Owners Association, to: SLPOA Treasurer at PO Box 489, Tully NY 13159**
